We will continue to focus our English sessions on reading and writing skills. This will involve both handwriting and secretarial skills alongside punctuation. We will then be applying these skills to writing stories. We will be learning about traditional tales and poetry and rhyme. We are starting a guided reading session each week which will enable the children share books in small groups with an adult. Our focus in handwriting will be the letters that have ascenders such as 'd' and descenders such as 'y'.

The children will continue to focus on the following, and they should be able to spot them in their reading and apply them in their writing:

Full – stops, capital letters, adjectives, story starters, question marks and finger spaces.

These are the tricky words that we have introduced alongside the phonemes in each phase.
